Troy began his banking career in 2014 upon completion of college. He began as a teller and customer service representative before moving into a lending and management role.

Troy joined Liberty National Bank in May 2015 at the Lawton location as a Credit Analyst before moving to the Blanchard location as an AVP/Commercial Lender a year later. Due to his excellent performance in Blanchard, he was promoted to Vice President and moved to the Chickasha location in 2019 and two years later he was promoted to Senior Vice President. Troy states that the experience he gained while learning the different departments has proved invaluable as he truly understands the intricacies that each department faces daily.

Just like Liberty National Bank, Troy believes in strong communities and that volunteering can create a better existence for us all. He is currently serving as Treasurer for the Chickasha Chamber of Commerce Board and sits on the Executive Committee. He just completed a four-year term with the Pioneer Library System Foundation Board where he served as President, Treasurer, and Finance Committee Chair. He has also served for three years on the Blanchard Education Foundation and as the President and Treasurer for the Blanchard Chamber of Commerce.

Troy has a BBA in Business Finance from the University of Oklahoma. He is currently enrolled in the graduate program at the Southwestern School of Banking at SMU in Dallas with a target graduation date in the Spring of 2023. Troy is also an honorary graduate of the Instituto Tecnológico Latinoamericano located in Pachuca, Mexico. His time abroad allowed him to master his Spanish language abilities and truly know and understand the Spanish culture.
