

Austin Shrader

Chief Operating Officer

Austin.Shrader@WeAreLiberty.Bank

405.297.4856

Austin joined Liberty National Bank in 2020. He has worked in the banking industry since 2009, and has experienced a wide variety of functions to include: launching multiple nation-wide digital-only banks, mergers & acquisitions, operations management, project management, and process improvement. His responsibilities include oversight of several key operational areas of LNB and the deployment of digital technologies, to ensure the bank's strategy is achieved and our customers are best served.

Prior to entering the banking industry, Austin began his career as an Officer in the United States Air Force. Upon leaving the Air Force, he worked as a management and process consultant in the financial and retail industries.

Austin has a MBA and a BS in Management Information Systems from Oklahoma State University, a MS in Aerospace Administration from S.E. Oklahoma State University and is also a graduate of the Stonier Graduate School of Banking from the University of Pennsylvania.
