Shelby joined the LNB team in 2016 as a teller at the Downtown location. With her outstanding customer service skills she was promoted throughout the years and has had the opportunity to serve as an Administrative Assistant, Teller Supervisor, Customer Service Representative and now as the Branch Operations Manager.

Shelby loves her community and has volunteered at many events including the Lawton Rangers Rodeo, Elgin Rodeo Association, Pregnancy Resource Center, Alzheimer's Association and many more. Every year during the holidays, she and her family put together care baskets for the local Salvation Army.

Shelby also helped pioneer the Financial Literacy Program at Liberty National Bank and has held many classes for area schools.

Because of Shelby's different roles at LNB, she has gained the knowledge and skills necessary to become successful in the banking industry. She will tell you that she has been fortunate to have many great leaders within the bank who have helped her grow and succeed in her career.
