Frequently Asked Questions

1. How should I endorse the back of the check?

Checks should be endorsed properly and include the following:

"For Mobile Deposit Only"

2. Is there a fee for Mobile Deposit?

No. Mobile Deposit is provided **free of charge**.

3. After I make a Mobile Deposit, what should I do with the check?

Please store your check in a secure location for **60 days**. Review your Online Banking, App, or statement to ensure that the deposit posted and cleared. **60 days after your deposit, you should properly destroy your check by shredding it.**

4. How may I learn the status of a submitted Mobile Deposit?

Within the App, on the **"Deposits"** tile, you will see your **"Deposit History"**. Once your deposit has been reviewed, it will either change to an **"Approved"** status or a **"Rejected"** status. If your deposit is rejected, you will be contacted with further information.

5. When will the deposit be credited to my LNB bank account?

Deposits submitted on a normal bank business day before 4:45 PM CST will generally be posted to your account the next business day.

Deposits made **after 5:00 PM CST** or on weekends or holidays will generally be processed the next business day and credited to your account **within two business days after the deposit is submitted.**
